709 SEA RANGER CC

The 709 is packed with power rated to 225Hp with a whopping 215L standard fuel tank. The fully sealed checker plate front casting platform contains ample sealed storage for all your fishing gear, and provides a large stable platform to fish from. The optional 100L console esky is big enough to hold all of your catches or be used as mini fridge with plenty of food and drinks.
